

The Friends of the Winder Public Library was created to *“maintain an association of persons interested in libraries; to focus public attention on the library; to stimulate the use of the library’s resources and services; to receive and encourage gifts, endowments and bequests to the library and to support and cooperate with the library in developing library services and programs for the library.”*—from the Bylaws, Article II

Past contributions to the library by the Friends has focused on the summer reading program, additional resources for the library and activities and programs throughout the year. Between 2010 and 2015, this organization has given the library almost \$15,000. This does not include the contribution of hundreds of volunteer hours. Our main fund raiser has been an annual book-sale the first weekend in October. Members get a preview the night before it opens to the general public.

YOU can support the Winder Public Library by joining the Friends and by encouraging your family and friends to join, too. Our membership is small but mighty (and aging)! **We need new members with great new ideas.**
